## Key Stage Two National Assessment Results 2025

Here at St Mary's we are proud of all of the achievements of the children at our school but do not define success simply as children passing an assessment at the end of a particular phase of education.

Our broad and balanced curriculum is constructed to meet the needs of all our learners in our specific school context. The curriculum is designed to be progressive, building logically and methodically on pupil's prior learning.

We thank all of our fantastic staff and parents for supporting the children to achieve so well.

Below are the Key Stage Two outcomes for 2025. There were 28 children in Year 6 who sat the SATs tests.
